Hutker Architects – Sunset Hill won Silver for Excellence in New Single Family Home Design & Construction: Over \$5,000,000

BRICC 2023 Awards

The BRICC Awards (Building & Remodeling Industry of Cape Cod), presented every two years, recognize excellence in building, remodeling, design, landscaping, sales and marketing on Cape Cod. This year, we had a record number of 172 submissions for 20 categories, recognizing overall new construction and historic renovations as well as green energy design and outdoor living spaces. The program also honors individuals who are rising stars and outstanding project managers. All these exceptional achievements were celebrated at the 2023 BRICC Awards Gala held at The Cape Codder Resort & Spa in Hyannis on October 5. Congratulations to all our winners!
